GEORGIA FILM TAX CREDIT

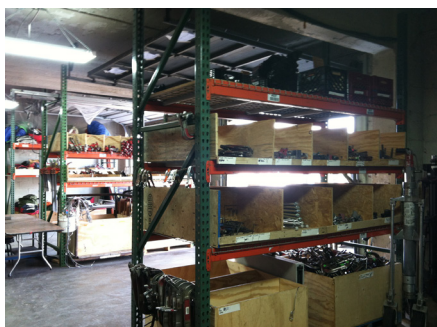

Georgia Film Tax Credit Is One of the Country's Best and Most Stable

One of the top production states in the country, Georgia offers a strong, competitive incentive. Georgia's Entertainment Industry Investment Act provides a 20 percent tax credit for companies that spend \$500,000 or more on production and post-production in Georgia, either in a single production or on multiple projects. The state grants an additional 10 percent tax credit if the finished project includes a promotional logo provided by the state.

SUPPORT FOR YOUR PRODUCTION

Lighting, Electric and Grip: EUE/Screen Gems Studios Atlanta offers a 30,000 Sq Ft lighting and grip facility as part of a strategic relationship with MBS Equipment Company from Manhattan Beach, California. All production clients are required to use the studio's lighting and grip; clients also have the option of using our resources for location shots, too.

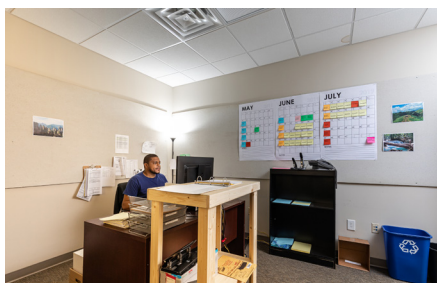

Production Office Space: We offer 50,000 sq ft of furnished production office space. We offer Avaya telephone systems and high-speed wired Internet in all offices and Wi-Fi service across the lot. All office hubs include break rooms with refrigerators and microwaves. Conference rooms and ample parking are available.

Support Spaces: The campus offers a variety of flex spaces for catering, mill, wardrobe, etc.

Communications Services: Campus-wide ultra-high-speed WIFI, and wired Internet in every office, stage, support space and utility space; phone system with multiple exchanges and direct dial office numbers.

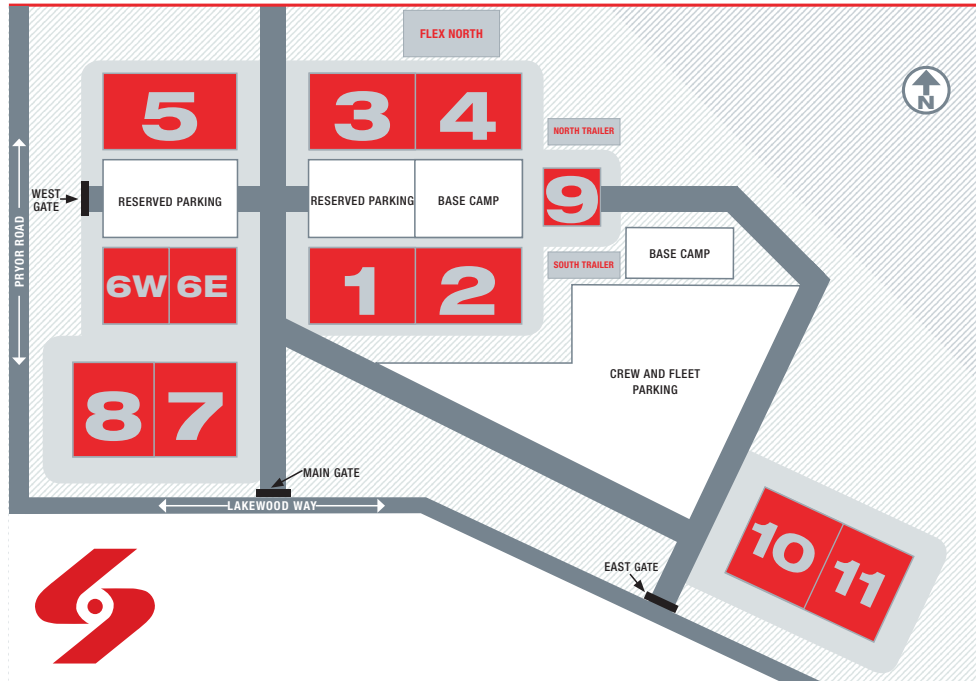

Choice Locations Near the Lot: We're 15 minutes from downtown Atlanta's top-tier hotels, and hundreds of unique shooting locations throughout the city, including distinctive neighborhoods, professional sporting venues, churches, historic sites and parks.
